Danny is the founder of Three Angels Broadcasting Network (3ABN), a nonprofit organization with the vision to “mend broken people” through the powerful messages of God’s Word. 3ABN’s ministry accomplishes this goal with 24-hour television and radio networks, as well as the far-reaching ministries of 3ABN books and 3ABN music. 3ABN started in 1984 when Danny Shelton was impressed to build a television station that would reach the world. With God’s blessings, 3ABN’s networks are a reality today!

3ABN has two television networks: 3ABN Television (in English) and 3ABN Latino carrying Spanish and Portuguese language programs). Both of these, along with 3ABN Radio Network, are distributed worldwide on nine satellites, covering every inhabited continent of the world.
